<http://www.ctw-productions.org>

Thank you for your interest in applying for the CTWP Internship program. We want you to have a fulfilling experience and fill your brain with the great power and responsibility of filmmaking and digital media. A typical internship program is unpaid, lasts for the duration of one school semester, and equates to a total of 150 hours of work. Please let us know if you are capable of this and by what schedule you wish to complete these hours. Or please mention alternative methods in which you would like to work with us. We are willing to work with your school so you can receive credit. The scope of work varies in all phases of production based on projects we are working on and your skills and the roles you want to learn.
